## FlingGolf®

An athletic and cool alternative to traditional golf. It's a new sport combining golf and lacrosse, and you will be whipping the ball down the fairway.

Instead of hitting the ball with a club, a player flings a golf ball with a FlingStick®. A good fling can travel over 200 yards. And all players need to carry is one very light FlingStick®. The rules are simple. Players fling the golf ball along the course and putt with the face of the FlingStick®. FlingStick® also appeals to a younger athletic crowd. Kids love it and it's easy to learn.
